CPP30607

CERTIFICATE III in INVESTIGATIVE SERVICES

Private Investigation/Surveillance/Factual investigation

The Certificate III in Investigative Services (CPP30607) is carefully designed for the professional training and development of non-experienced Private Investigators and is now a pre-requisite for factual and surveillance Investigator licensing in all states of Australia.

The course is delivered at a standard which far exceeds requirements and provides participants with a basic understanding of the principles of conducting a factual investigation and introduces the principles of covert surveillance. The course is primarily designed for those persons that have little or no previous experience and provides a bridge between getting the foundation skills to be licensed and entering the field.

Licensing Requirements

This course is an occupational licensing requirements for **Investigation Agents**. Contact the Consumer and Business Services (CBS), Commercial Licensing Section, on Ph: 131 882. Licensing fees are not included as part of Tactical's Licensing Package.

Receive the support and guidance of experienced trainers and industry experts.
