**This package is designed to meet compulsory Training Package requirements and is further customised to accommodate security licensing and industry needs for South Australia; so there are no surprises when you apply to Consumer and Business Services.**

Upon successful completion of the requirements of the training package, you will be issued a nationally recognised qualification along with a separate statement of attainment with the units required for licensing at no extra cost. Where the qualification is partially completed, you will be issued a statement of attainment.

## Recognition of Prior Learning (RPL)

Participants with current and specific industry skills may be eligible for RPL. Contact Customer Care to discuss further. Eligibility assessment is essential by appointment only.

## Employment Assistance

Tactical provides employment assistance and advice to our graduates. Speak to our friendly customer support team about how we can assist you! **\*\*Graduates must meet security licensing criteria\*\***

## Licensing Requirements

### **!! Important Information !!**

*The Consumer and Business Services (CBS) Security Licensing fees, and police and other background checks are mandatory to all persons applying for an Investigation Agents Licence. Licensing fees are not included as part of Tactical's Licensing Package.*

*Tactical takes no responsibility for those persons who fail to check that they meet licensing requirements. We encourage you to discuss any concerns you may have about any past convictions with CBS prior to enrolment to any training program. A Prescribed Offences list is available from Tactical Training upon request.*

*To apply for a Security and/or Investigation Agents Licence, contact the Consumer and Business Services (CBS), Occupational Licensing section, on Ph: 131 882.*

## How can we help you?

*Our packages are designed to accommodate the individual needs of students. Please talk to us about any special needs that we can help you with.*

## Duration of Training

This package embraces flexible training concepts and allows individuals to complete at their own comfortable pace.

- Immediate commencement
- 5 day block of practical contact days
- 1 day first aid

This course will **energise, inspire and challenge you to think and act quickly**, all tied-in with the opportunity to consistently apply your newly learnt skills across a variety of scenarios.

Experienced Trainers will help you to consolidate the knowledge and skills to work effectively in the Security Industry, providing support to complete assessment activities through facilitation, discussion and questioning. You will practice skills on our industry equipment. We recommend enrolment 1 week prior to commencement of in-class training, to secure your place. This course is delivered using a combination of contact days, online and take home assessment activities.

## What's the Investment?

**Just \$895**

**Can't commit to full time?** No problem. Start today and enjoy flexible self-paced study. Have up to 12 months to complete with the support of our professional Trainers.

Talk with us about our **Flexible Study** option just **\$995**.

**LOOKING FOR SOMETHING MORE?** Try our industry pathway short courses such as **Security Screening, Cash in Transit** or **Canine Handling**
