CPP30411 Certificate III in Security Operations

DON'T GET LEFT BEHIND WHEN EMPLOYER GROUPS REQUIRE HIGHER LEVEL QUALIFICATIONS

Develop the skills and knowledge required for higher paid supervisory, management and security risk management careers. Ensure you don't get left behind when opportunities requiring higher level qualifications come your way.

Designed for individuals who already have a Certificate II or their security licence; Certificate III introduces an amazing set of advanced skills and knowledge. It gives the advantage of bridging the gap between licensing that everyone else has and taking the next step under the guidance of passionate, experienced and respected trainers.

Enjoy the use of some of the best training resources in Adelaide under the professional guidance of the only multiple National Award Winning security training provider in South Australia.

Certificate III in Security Operations can lead to advanced employment opportunities in the security sector.

Upon successful completion of the requirements of the training package, you will be issued a nationally recognised qualification. Where the qualification is partially completed, you will be issued a statement of attainment.

Recognition of Prior Learning (RPL)

Participants with current and specific industry skills may be eligible for RPL. Contact Customer Care to discuss further. Eligibility assessment is essential by appointment only.

Duration of Training

This package supports flexible training options to allow you to complete at your own comfortable pace.

- Course materials and activities received up-front for immediate start;
- 5 day block of practical face-to-face;

This course will **energise, inspire and challenge you to think and act quickly**, all tied-in with the opportunity to consistently apply your newly learnt skills across a variety of scenarios. Experienced Trainers will help you to consolidate the knowledge and skills to work effectively in the Security Industry, providing support to complete assessment activities through facilitation, discussion and questioning. You will practice skills on our current industry equipment. We recommend enrolment 1 week prior to commencement of in-class training, to secure your place. This course is delivered via using combination of contact days and take home assessment activities.

Train with one of Adelaide's most respected name in Security Training
